

REQUIRED SCHOOL UNIFORM - SECONDARY

Students are expected to wear the designated school uniform at all times, unless indicated by the teacher or administration for special events or field trips.

Students arriving to school not wearing the appropriate uniform may be asked to return home to change. Appropriate dress means wearing clothes that are sensitive to multicultural norms and do not lead to any offence. We also ask that parents label their child's clothing to avoid confusion.

The Sixth Form (Years 12 & 13) dress code is *business casual* and can be found [here](#).

The British International School of Tbilisi logo/badge is available for purchase at the school administrative office. This badge can be ironed or sewn onto the jumper/cardigan/shirt.

It is the school's expectation that students are appropriately* dressed, have appropriate* hairstyles and limited jewellery. This is for reasons of health and safety and to ensure that students portray a positive image of themselves and the school.

*Appropriate in this sense applies to age group and for the activities planned for that school day. For Secondary students we encourage them to be attired in a way that could be described as appropriate for the 'world of work' beyond school.
