EDURIO - STRENGTHENING OUR SCHOOL COMMUNITY

We're delighted to share that BIST has partnered with **Edurio**, a trusted platform that helps schools gather valuable feedback from families. This partnership will allow us to strengthen communication and better understand your experiences, ensuring we continue to grow and improve as a school community.

Next week, you will receive a letter containing links to two short surveys - one about School Food and another about Transport. **We kindly ask all families to take a few minutes to complete these.** Your feedback will play an important role in helping us review and enhance these key areas of school life.

On October 31st, we will also launch our Annual Whole School Survey, which will give us valuable insights and allow us to compare our progress against both national and international benchmarks.

Thank you in advance for taking the time to share your thoughts. Your voice truly helps shape the future of our school.

PRINCIPAL'S MESSAGE

It has been a fantastic International Week that culminated in last night's Gala. What an incredible evening it was where we were able to celebrate our variety of cultures and international identity in combination with our Georgian locality and traditions.

Thank you to every parent that contributed to creating such wonderful stalls and food for us all to enjoy! Of course throughout the week, our pupils have also enjoyed learning about different countries in their classes, with inter-cultural understanding being at the heart of our community.

I have also welcomed parents for a 'Breakfast with the Principal' in Foundation, KS1, 3, 4 & 5 this week. It has been very useful to share information specific to the age of the children; from Phonics programs to University guidance. I welcome any parent in KS2 to come and join us on Monday morning at 8:30! Although the presentations only cover a brief overview of the wider conversations we have, I hope you find them useful. Enjoy the weekend!

You can still place orders or buy items in person at school if you prefer.

On 8 October, we were proud to host the Friendly Basketball Competition 2025, welcoming over 150 students from BIST, BGA, and the German School. The event was a fantastic celebration of teamwork, sportsmanship, and enthusiasm.

Our Primary teams - Year 3 & 4 and Year 5 & 6, girls and boys - competed in some truly exciting matches. Each game was played with energy, determination, and respect, making the day a memorable experience for everyone involved.

We are delighted to see our students growing in confidence on the court while forging new friendships through sport. A big thank you to all the players, coaches, and families who supported this wonderful event.
