

## British International School of Tbilisi

### SCHOOL UNIFORM POLICY

Students are expected to wear the designated school uniform at all times, unless indicated by the teacher or administration for special events or field trips. Students arriving to school not wearing the appropriate uniform may be asked to return home to change. Appropriate dress means wearing clothes that are sensitive to multicultural norms and does not lead to any offence.

The below uniform is required for all students in Years 1-11. Foundation pupils do not have a uniform.

## Sixth Form - Years 12 - 13

The Sixth Form (Years 12 & 13) dress code is *smart casual* and can be found [here](#).

### Hair and Jewellery

It is the school's expectation that students are appropriately\* dressed, have appropriate\* hairstyles and limited jewellery. This is for reasons of health and safety and to ensure that students portray a positive image of themselves and the school.

*\*Appropriate in this sense applies to the age group and for the activities planned for that school day. For secondary students we expect this to be in line with the 'world of work' beyond school.*
